

AMY S. PEELE

Award-Winning and Best-Selling Author Organ Transplant Expert

Amy S. Peele, RN, is the award-winning, best-selling author of *Cut*, *Match*, and *Hold*, medical mysteries with a mission and a side of humor. Before becoming a writer Amy enjoyed a fascinating 35-year career in the organ transplant field which provides an authentic backdrop to her books.

Amy is an accomplished speaker who regularly presents to prestigious US medical centers such as, NYU, University of Chicago, University of Michigan, and UCLA as well as writers' events.

Her books have reached bestseller status on Amazon and gained national recognition with such awards as the NYC Big Book Award, Chanticleer International Book Awards, IPPY, Independent Press Awards, and more.

Amy loves to speak, swim, teach chair yoga, meditate, and kill the people she didn't like from work in her mysteries and use their organs—why waste the kill?
